BasicMed Quick Reminders:

- Keep this certificate and completed medical exam checklist **with logbook**
- Retake BasicMed online course **every 24 months**
- Have had a medical exam by a state licensed physician in the **last 48 months to the day**

Successful completion of this AOPA medical education course within the **past 24 calendar months** satisfies the medical education course requirement in FAR 61.23(c). You are **required** to retain this certificate of completion and the medical examination checklist form from your physical exam with your logbook and make them available upon request. Please keep all information concerning your medical examination in your own records, as **AOPA will not save this information** and it is required to be reentered when retaking the medical education course.

REMEMBER, you must also have a **completed Comprehensive Medical Exam Checklist** that shows your most recent BasicMed physical examination by a state licensed physician was **within the past 48 months to the day**.

Wallet-sized card for convenience, but keep top portion and doctor exam forms with your logbook.
